Vision, Mission and Values

LITERACY THROUGH THE ARTS

Our Vision is a Broadway area that is vital, alive with hope for the future, and is a desirable place for the people of Cleveland to live and grow.

Our Mission is to empower and nurture families, advance education, and encourage active involvement in building community.

Our Values

SUPPORT FAMILIES TO SUPPORT THEMSELVES: We believe strong families make strong communities. We focus on the nurture and support of families with a passion for helping families to help themselves.

COMMUNITY INVOLVEMENT: We bring the community together by including dimensions of community involvement in all our programs.

CHRISTIAN VALUES AND PRINCIPLES IN GOVERNANCE AND OPERATIONS: We are an inter-denominational Christian organization striving to serve with love and respect towards all people. Our programs are open to all people without regard to any affiliation including race, religion, or income.

Introducing BrainCraft

A Literacy Program with a Little More

Every child will receive a "Triangle of Tests"
For their literacy evaluation...

- ~ Phonetic Mastery
 - ~ Sight Word Recognition
 - ~ Grade Level Reading Identification
- BrainCraft is a literacy program with a little more. After a triangle of tests for the initial evaluation, BrainCraft uses fun learning stations to build literacy while also fostering critical thinking, creativity, communication skills and more.

History

Executive Director Ione Parry has been involved in the Broadway area community for 47 years. She launched the Jones Road Church outreach ministry in 1987 when the first free monthly meal was provided to the community. After in-depth training by the Cleveland Foundation through Project Access, Ione determined that creating a new, non-profit organization was the most effective way to increase the impact of the established programs.

The Jones Road Family Development Corporation 501(c)(3) incorporated July 1, 2008 and is now the sponsoring organization of these programs. It is the vision of this ministry to serve a Broadway/Slavic Village neighborhood that is vital, alive with hope, and a great place to live and grow.

How You Can Help

We ask for your prayers and financial support. There are many opportunities for hands on activities also available. From tutoring to helping with after school snacks or helping with the weekly community meal. You can join us in helping to build stronger families in our community.
